

September 2012 Break Out Groups: Trends and Solutions

Using the data from the presentation and the results and recommendations from the January-June 2012 Quarterly reports; brainstorm potential reasons and solutions to service enhancement. Solutions could include training, resources, databases, future State initiatives, and other ideas brainstormed by the group. Please be specific.

Trends	Possible Reasons	Potential Solutions
Providers scoring under 85%		
Providers Scoring under 85% on multiple reviews		
Background Screening Components		

Health and Wellbeing- Medications		
Health and Wellbeing- Dental		
Foundational Outcomes Decreasing: Health, Family, Service Goals, Friends, Free from Abuse, Safe, Rights.
