## Mission

- Does the wording of the mission need to be restated (e.g., more emphasis on policy recommendations?)
- Look at the current statement – give us feedback on any changes by the end of June by email, phone, etc. Charmaine’s email is: [Pillayc@dfmc.org](mailto:Pillayc@dfmc.org)

## Priorities

- What are the one or two issues that this group wants to focus on (e.g., health and safety? Employment? Choice?)
- Are there specific recommendations that you want to highlight now?
- Is there additional information that you need to address these priorities?
- Please make suggestions to Charmaine by the end of June

## Other Issues?

- Standing item on agenda regarding topical issues
- How do we communicate with legislators?
