		Not Met on this standard is an automatic Alert		
2	The provider addresses all incident reports.	<ul> <li>iBudget Handbook</li> <li>APD Operating Procedure #: 3-0006</li> <li>Request all incident reports completed within the period of review (Official APD reports and internal forms when applicable).</li> <li>Through documentation/record reviews, conversations with the provider and individuals served determine if all known incidents have been properly documented and reported.</li> <li>Ask the provider to describe method of effectively identifying and addressing all incident reports.</li> <li>Request all incident reports completed within the period of review.</li> <li>All follow-up measures taken by the provider to protect the person, gain control, or manage the situation must be noted on the incident report. The measures must specify what actions will be taken to mitigate a recurrence of the same type of incident.</li> <li>Determine outcome of incidents and follow-up needed.</li> <li>Review provider documentation to determine if necessary action has been taken to mitigate a recurrence of the same types of incidents in each case.</li> </ul>	1) 2) 3) 4)	Provider documentation did not demonstrate the provider completed incident reports when required. Provider documentation did not demonstrate all incident reports had been addressed. Provider documentation did not demonstrate that required follow up to incidents had been addressed. Provider documentation did not demonstrate the provider had taken necessary action to mitigate a recurrence of the same types of incidents.
		When available, review incident related information     supplied by the APD Regional office.		
3	The provider identifies and addresses concerns related to abuse, neglect, and exploitation.	iBudget Handbook Through review of incident reports, documentation/record reviews, conversations with the provider and individuals	1)	Provider documentation did not demonstrate the provider identified and addressed concerns related to abuse, neglect, and exploitation.

		<ul> <li>served determine if all known concerns related to abuse, neglect, and exploitation (ANE) have been addressed.</li> <li>Ask the provider to describe the process used to identify and address concerns related to abuse, neglect, and exploitation.</li> <li>Review available incident/accident reports for the period of review.</li> <li>Documentation showed investigation of any ANE.</li> <li>Documentation showed appropriate corrective action based on investigation findings.</li> </ul>	2) 3)	Provider documentation demonstrated the provider identified but did not address concerns related to abuse, neglect, and exploitation. Provider documentation did not demonstrate appropriate corrective action was taken.
4	All instances of abuse, neglect, and exploitation are reported.	<ul> <li>iBudget Handbook</li> <li>Provider agencies cannot require their employees to first report such information to them before permitting their employees to call the Florida Abuse Hotline or 911.</li> <li>Any person who knowingly and willfully fails to report a case of known or suspected abuse, neglect, or exploitation of a vulnerable adult or prevents another person from doing so is guilty of a misdemeanor of the second degree.</li> <li>Through review of incident reports, documentation/record reviews, conversations with the provider and individuals served determine if all known instances of abuse, neglect, and exploitation have been reported.</li> <li>Ask the provider to describe system of reporting abuse, neglect, and exploitation.</li> <li>Ask the provider if there have been any calls made to the Florida Abuse Hotline within the review period related to allegations of ANE.</li> <li>The calls could have been allegations against the provider or made by the provider on behalf of a person served against someone else.</li> </ul>	1) 2)	Provider documentation did not demonstrate all instances of abuse, neglect, and/or exploitation had been reported. Provider documentation demonstrated all instances of abuse, neglect, and/or exploitation were reported to the Florida Abuse Hotline but not to the APD Regional office.

		<ul> <li>Request all incident reports completed within the period of review.</li> <li>Look for evidence the provider is reporting suspicion of abuse, neglect or exploitation in consumer records, a log, or in other documentation.</li> <li>During documentation review, look for any instances where the provider may have had suspicions, but did not or hesitated to make a report.</li> </ul>		
5	The provider maintains Business Liability Insurance.	<ul> <li>iBudget Handbook</li> <li>393.663 F.S. and Chapter 65G-14</li> <li>Verify business liability insurance for the entire period of review for the Qualified Organization. This may require review of multiple policies.</li> <li>Policies effective after 7/1/2021 should be under the QO and not for each WSC individually.</li> <li>Confirm APD is listed as the certificate holder.</li> </ul>	1) 2) 3) 4) 5)	Provider did not have proof of business liability insurance. Provider documentation demonstrated business liability insurance was current at the time of the review but not the entire period of review. Provider documentation demonstrated business liability insurance was not current at the time of the review but was current during some of the period of review. Provider had proof of business liability insurance but APD was not listed as the certificate holder. Provider had proof of business liability insurance, but it was not under the QO policy.
6	The provider maintains a Table of Organization.	<ul> <li>iBudget Handbook</li> <li>393.0663 F.S. and Chapter 65G-14</li> <li>Review table of organization for the entire period of review for the Qualified Organization.</li> <li>Table of Organization must include: <ul> <li>All active Support Coordinators first and last name, contact email and phone number and Region(s) rendering in, Medicaid provider number, employment status (full or part time);</li> </ul> </li> </ul>	4)	Provider did not have evidence of a table of organization. Provider had a table of organization, but it was not up to date. Provider had a table of organization, but it did not include the Region(s) the WSC was rendering in. Provider had a table of organization, but it did not include first and last names.

		<ul> <li>Designation of QO Mentor (s);</li> <li>If QO renders in multiple Regions, the table of organization is organized by Region with a point of contact listed per Region.</li> </ul>	<ol> <li>5) Provider had a table of organization, but it did not include contact email and phone for each WSC.</li> <li>6) Provider had a table of organization, but it did not include Medicaid provider numbers for each WSC.</li> <li>7) Provider had a table of organization, but it did not include designation of mentor(s).</li> <li>8) Provider had a table of organization, but it did not list the point of contact for the Region under review.</li> </ol>
7	Standard Removed	Standard Removed	Standard Removed
8	The Mentor has the appropriate qualifications.	<ul> <li>iBudget Handbook</li> <li>393.0663 F.S. and Chapter 65G-14</li> <li>Review employee record to ensure the Mentor: <ul> <li>Has at least two (2) years of experience working as a Waiver Support Coordinator;</li> <li>Has an active caseload;</li> <li>Has no ethical violations within the past three (3) years;</li> <li>Has no unresolved QIO background screening alerts for the past three years;</li> <li>Remains in compliance with all required training;</li> <li>Passed the Level 1 competency-based assessment with a minimum score of 90%;</li> <li>Has no delinquent Corrective Action Plan per QIO review or Agency audit, or timely resolve any Corrective Action Plan required while the Support Coordinator is a mentor;</li> <li>Has no more than three mentees assigned at any given time.</li> </ul> </li> </ul>	<ol> <li>Mentor did not have at least two years of experience working as a WSC.</li> <li>Mentor does not have an active caseload.</li> <li>Mentor has a background screening alert.</li> <li>Mentor has not completed all required training.</li> <li>Mentor has not completed the Level 1 Competency- based assessment.</li> <li>Mentor has completed the Level 1 competency-based assessment but not with a minimum score of 90%.</li> <li>Mentor had more than three mentees assigned at the same time.</li> </ol>
