

Delmarva Foundation

Florida Statewide Quality Assurance Program

Yes, You Can Plan and Direct Your Services

June 6th, 2015

**Charmaine Pillay, Florida Director
&
Robyn Turlakis, Regional Manager**

Objectives

Provide an opportunity for interactive role-playing related to areas of self-advocacy, service delivery, and questions to ask providers.

Discuss how to evaluate service delivery.

Share a variety of questions to ask providers before and during hiring process.

Provide a list of places to find ongoing and additional information.

Who is Delmarva?

- Under Quality Assurance Contract with AHCA since 2001
- Interview people receiving services about the services they receive
- Review and Interview Providers rendering services
- Provide data from reviews to AHCA/APD to support the Quality Management System

Supported Living

Your Roles & Responsibilities

- Assessing your own wants and needs
- Interviewing potential providers
- Setting clear expectations
- Evaluating the service and provider for over all effectiveness
- Addressing concerns and changing providers if applicable

Assessing your own wants and needs

- Life Dreams
- Relationships/Community
- Work and Home
- Growth
- Health

Lesson Learned

Let's Discuss...what worked? What did not work? What else could the self-advocate do?

Interviewing Potential Providers

- How long have you been providing services?
- How will I select my staff?
- How flexible are you on times & dates as my needs change?
- What happens if someone is a no show?
- How will you ask about my goals?
- How will you see if I am satisfied?
- How can I see what is written about me?
- How will you and your staff respect my rights?
- How will you and your staff support my privacy?

Lesson Learned

Let's Discuss...what worked? What did not work? What else could the self-advocate do?

Setting clear expectations

- Expectations of time
- Expectations of location
- Expectations of activity/goal
- Expectations of staff

Lesson Learned

Let's Discuss...what worked? What did not work? What else could the self-advocate do?

Evaluating the service & provider

- Reaching Goals
- Satisfaction
- Other needs
- Grievance

Lesson Learned

Let's Discuss...what worked? What did not work? What else could the self-advocate do?

Addressing concerns and changing providers if applicable

- Grievance Identification
- Grievance Resolution
- Selecting a new provider

Lessons Learned

- Who decides what services I need?
- What should I expect from my providers?
- Who is in charge of my services?
- What are my roles and responsibilities?

Remember the Five D's

- **Determine** your individual needs and desires
- **Drive** your own Support Plan
- **Develop** your expectations
- **Define** what success means to you
- **Decide** if services are working for you
