Quick Reference Guide – Residential Habilitation (Intensive Behavior)

Overview: Residential Habilitation has been separated into three separate tools: Standard, Behavior Focus and Intensive Behavior. Compared to Residential Habilitation, the Intensive Behavior review tool has increased from 18 to 20 standards. There are five new standards and a total of seven standards from the old HCBS review tool that have been removed—these are shaded in gray. There are three new Administrative standards specific to Residential Habilitation Intensive Behavior.

The table below compares the old to the new.
